

KIDS & MEDICINE SAFETY

FACT: EVERY HOUR, 5 children under the age of six are seen in the emergency room for medicine poisoning.

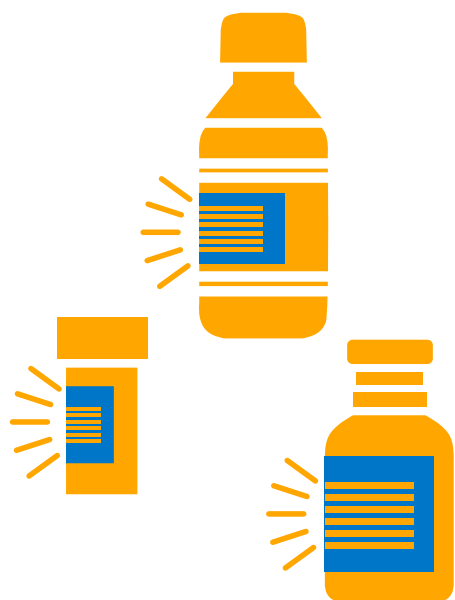

REMEMBER:

Keep all medicine and vitamins where kids cannot reach or see them.

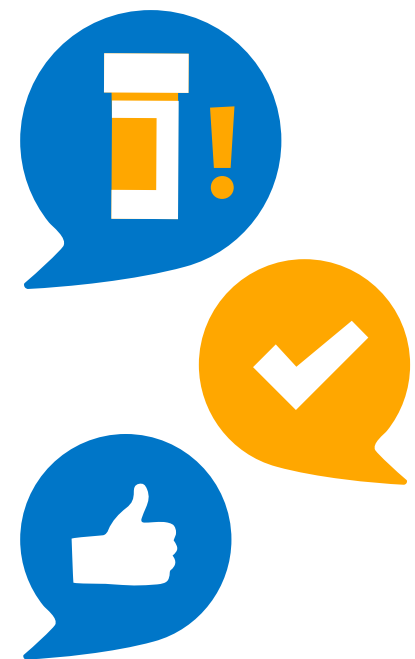

Read and follow labels when giving medicine to kids.

Save the Poison Help number in your phone: 1-800-222-1222.

Share medicine safety information with family and friends.

Visit www.safekids.org/medicinesafety for more tips on safe medicine storage, dosing and disposal.
